

# 66 cm Hi-Vac Bagger

66 cm Hi-Vac Bagger

The Toro® 66 cm Heavy-Duty Hi-Vac bagger is in a class of its own. The 66 cm deck width allows access through narrow gates, while the larger deck size increases your productivity by 25% over 53 cm mowers. Side discharge and mulch kit options add versatility to meet your unique needs.

## SPECIFICATIONS - 66 CM HI-VAC BAGGER MOWER

MODEL	22203TE - 3-Speed, BBC
ENGINE	Kawasaki, 4-cycle, 179 cc, FJ180V

BAG CAPACITY	90 litres
HEIGHT OF CUT	25 mm - 102 mm
FUEL CAPACITY	3.8 litres
WEIGHT	85 kg

## FEATURES

### **Belt-Driven Blade Spindle**

Protects engine crankshaft from potential damage due to blade impacts.

### **Height of Cut Adjustment**

Heavy-duty lever to withstand the rigors of heavy use and ensure smooth operation for easy change of deck heights.

### **Anti-Scalp Cup**

Standard blade anti-scalp cup prevents turf damage when mowing over undulations.

### **Dedicated Bagger Design**

Mower deck housing with large rear discharge opening is engineered to allow for free flow of clippings into the bag.

### **Aluminum Wheels**

Heavy-duty cast aluminum wheels with ball bearings and semi-pneumatic rubber tires are designed for the long-term, trouble-free performance professionals demand.

### **Optional Side Discharge Kit**

• Optional Mulch Kit

### **Powerful Commercial Engine**

Powered by a strong and reliable Kawasaki® KAI commercial engine with replaceable spin-on oil filter.

### **Blade Brake Clutch (BBC) System**

Disengages blade while transmission remains functional. Allows for bag emptying with the engine running.
